## **PASTURE MANAGEMENT 201**

Remote meeting access will be provided via the Zoom platform. Register for the workshops through the links below.

Workshops will be a combination of remote classroom and field visits.

Purpose of Workshops: Work with landowners to identify Best Management Practices that can help them achieve their land use goals while reducing the risk of bacteria impacting shellfish beds.

Schedule 2021:

June 2, 12pm-1pm – Remote via zoom: Are they weeds or are they food? Why do I have more weeds than grass?
